President's notes ...

Last month, I attended the RNC Women's Summit in D.C. and a fundraising workshop in Raleigh. The by-invitation Summit included more than 350 Republican women from across the country. It was a great opportunity to meet women who feel as committed to renewing our country as we do and to learn about what's happening with our GOP. The news is that great things are happening and we're part of something that will reshape our future in a positive way.

The fundraising workshop was an opportunity to reconnect with an old friend. Nancy Bocksoor is a D.C. consultant whose wit and wisdom taught me years ago that rubber chicken dinners are too expensive and that most people enjoy chilling out and relaxing together. This time, she affirmed our decision to have our yard sale August 21 – low cost, high yield with no overhead. (That was Sylvia's idea!)

And then there was "the article." I'll talk more about that June 8. I knew it wouldn't be a powder puff piece. (In politics, even our most esteemed politicians have had their detractors.) For now, let's say that I feel blessed to have the family and friends I have. Life would be a rough journey without you.

Our club has changed considerably in the past three years, but our commitment to the Fisher House remains firm. The CCRWC Board invited Paula Gallero to speak this month so that newer members would better understand that commitment to our military families.

I hope to see all of you next week!

Suzanne

November 2, 2010

Have you signed up to help with a candidate's campaign yet? As Republicans we cannot assume that we will win our races in November- we are outnumbered in Cumberland County by a 2-1 margin and must work extra hard to elect our Republicans. The Democrats have shown they can manipulate an election, so it's vitally important that we all work hard in our neighborhoods precincts to get the vote out. Do your part! Work with a candidate or volunteer to work at the County GOP Victory 2010 campaign office located at 894-Elm Street, Fayetteville. Call 425-4353 or 728-2601 for more information.

Candidate Thank You Notes

Last month the CCRWC contributed \$100 to the campaigns of all of our member and associate member candidates. Here are the thank you notes we've received:

"Dear CCRWC, thank you so much for contributing to my campaign. I appreciate your support and your continued help as we get ready for November!"

Jackie Warner

"Dear members of the CCRWC, thank you all for the \$100 towards my campaign. I appreciate you all & your support."

Diane Wheatley

"Suzanne, please forward my thanks to the CCRWC for their gracious support of my campaign for N.C. Senate District 21. It is the great friendship and support of people like the members of the club that make running for office worthwhile. I will put the money to good use. I promise to run a campaign that is honest and that represents the ideals that the members of the club hold dear."

Wade Fowler

"Thank you so much for the \$100 investment you have made in my campaign. Running for office is time consuming, physically draining, and expensive. No one can do it alone, but with the encouragement and support from those who believe in what you are trying to do to make a difference, it is highly rewarding."

The American Creed

Sylvia Smith brings this to our attention:

The American Creed

The American's Creed is the official creed of the United States of America. William Tyler Page as an entry into a patriotic contest wrote it in 1917. It was adopted by the U.S. House of Representatives April, 3 of the next year.

"I believe in the United States of America, as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign Nation of many sovereign States; a perfect union, one and inseparable; established upon those principles of freedom, equality, justice, and humanity for which American patriots sacrificed their lives and fortunes. I therefore believe it is my duty to my country to love it, to support its Constitution, to obey its laws, to respect its flag, and to defend it against all enemies." - William Tyler Page
